

# Triclosan 0.4%

# FOAMING HAND SOAP

## TECHNICAL SPECIFICATIONS:

Foaming formula for the antiseptic cleansing of hands.

## INGREDIENTS:

Triclosan 0.4%, Water, Sodium Lauryl Sulfate, Ammonium Lauryl Sulfate, Cocamidopropyl Betaine, Propylene Glycol, Glycerin, Polyquaternium 7, Tetrasodium EDTA, DMDM Hydantoin, Citric Acid, Fragrance.

## PROPERTIES:

Foaming Handsoap is a luxurious, antibacterial hand cleanser formulated for frequent washing in the veterinary clinic. It cleanses and hydrates the skin while preventing chapping. Its germicidal agent, Triclosan, eliminates most common pathogens without damaging the skin's natural ecology of the skin. It leaves hands soft and has a pleasant fragrance.

## DIRECTIONS FOR USE:

Apply to wet hands. Lather well. Rinse thoroughly.

## STORAGE:

Store at room controlled temperature

## PRECAUTIONS:

Avoid contact with the eyes. If eye contact occurs, rinse thoroughly with water. If undue skin irritation develops, discontinue use and ask a doctor. Do not swallow. If swallowed, get medical attention or contact a Poison Control Center immediately.

## WARNINGS:

For external use only. Keep out of reach of children.

## PRESENTATION:

Bottle of 17 oz. and 1 Gal
